Pennsylvania Troopers Helping Troopers Foundation

September 15, 2020

Dear Brothers and Sisters,

As President of the Troopers Helping Troopers Foundation, I would like to thank you for the continuing efforts in helping THT in its goal of providing financial aid to members of the law enforcement community. Your assistance in the form of financial donations has allowed THT to continue to help those during their times of greatest need. Further, THT has continued to grow, allowing us to make a greater impact in the lives of families and individuals.

Since our inception in 2007, THT has donated over \$550,000 to more than 200 recipients. We have donated nearly \$300,000 to 102 recipients in the last five years alone. These distributions have helped members of our community with extraordinary costs which went well beyond the usual experiences.

Although we have come a long way and have accomplished much thus far, there is still more that can be done. Your continued support and generosity will allow THT to continue making a difference in many lives. Active members can support Troopers Helping Troopers thru a biweekly payroll deduction. Simply fill out a deduction card and mail it in for processing. Retired members can use the PSECU website "Bill Payer" option. All members can make a one-time donation online at www.troopershelpingtroopers.org, or by mail.

Request for Assistance forms can also be found online at www.troopershelpingtroopers.org. This form can be completed and sent to me at rzona@psta.org.

When making a request for assistance, please keep in mind the following criteria required by the THT By-Laws;

The intended recipient's connection with the Law Enforcement community

The intended recipient is in financial distress caused through no intentional fault of their own

The conditions faced by the intended recipient is beyond the usual experiences

The intended recipient has demonstrated a need for the assistance

Troopers Helping Troopers will continue to serve the Law Enforcement community for many years to come due to the generosity of many people. On behalf of the THT Board, I say Thank You for your support!

Fraternally,

Ronald Zona
President, Troopers Helping Troopers Foundation
