Pennsylvania Troopers Helping Troopers Foundation

Dear Members,

As President of the Troopers Helping Troopers Foundation I would like to take this opportunity to thank you all for your continued efforts in helping THTF achieve its goal of providing aid to the law enforcement community. Your assistance, in the form of monetary donations and locating worthy recipients, has allowed THTF continue to help members of the law enforcement community during their times of greatest need. Further, in the past five years THTF has been able to grow, making a greater impact in more individuals and families lives.

To date, THTF has donated over \$400,000.00 to more than 150 recipients. THTF has distributed \$261,000.00 to 100 recipients in the past five years alone. These distributions helped members of our community with extraordinary costs which went well beyond the usual experienced by a police officer.

Although much has been accomplished thus far, there is still more that can be done and we need your continued support to do it. Active members can support Troopers Helping Troopers Foundation by filling out a payroll deduction card and mailing it in for processing by office staff. Retired members can mail donations to the THTF or use the PSECU website "Bill Payer" option.

Request for assistance forms can be found on the THTF website at **\*\*WEB ADDRESS\*\***. This form can be completed and emailed to me at [rzona@psta.org](mailto:rzona@psta.org). When making a request for assistance or helping another make the request, please review the following criteria required by the THTF By-Laws:

- The intended recipient's connection with the Pennsylvania State Police or law enforcement.
- Whether the intended recipient in a position of financial distress that was caused through no intentional fault of his or her own.
- Whether the conditions faced by the potential recipient are beyond the usual experiences of a law enforcement officer or their family members.
- Whether the award is able to make an appreciable impact on the recipient's or their family's quality of life.
- The Foundation's capability of making an award to this recipient without compromising its own financial integrity so that it can continue to serve others.
- The applicant's demonstration of need for the funds.

I thank you for you continued support of the Troopers Helping Troopers Foundation.

Fraternally,

President
